

Dr. Michael J. Hurdzan Endowment Fund

Dr. Michael J. Hurdzan has established an endowment fund with The Environmental Institute for Golf for the purpose of funding environmental research on golf courses. As part of GCSAA's general call for proposals in August, researchers are encouraged to apply for funding under this program for research pertaining to water quality, integrated pest management, best management practices, wildlife management, reduction in pesticide use, or any project related to maintaining and protecting the environment.

Donations to Dr. Michael J. Hurdzan Endowment Fund are being accepted by The Institute. Please complete the lower portion of this page and return to The Institute at the address indicated below. Contributions may be tax deductible. Please check with your tax advisor.
