

## Aquatrols' Robert A. Moore Endowment Fund

The purpose of the Aquatrols' Robert A. Moore Endowment Fund is to support applied research for optimizing the growing environment for golf course turf, with specific goals for increasing the effectiveness of applied water, fertilizers and pesticides and thereby reducing the total requirements. The goal is to develop maintenance practices that result in beautiful golf courses with minimal impact on the environment and consumption of resources.

This fund recognizes Robert Moore's and Aquatrols' contribution and commitment to optimizing the turf growing environment through more effective use of water and other resources. Donations to Aquatrols' Robert A. Moore Endowment Fund are being accepted by The Environmental Institute for Golf. Contributions may be tax deductible. Please check with your tax adviser. Please complete the lower portion of this page and return to The Institute at the address indicated below.

On behalf of Robert A. Moore, Aquatrols and The Environmental Institute for Golf, thank you for your support.
