

Hurricane Disaster Relief Program

In late August, the GCSAA Education Conference and Golf Industry Show to be held in New Orleans in February was knee deep in plans. Then Katrina made her grand entrance, and needless to say plans changed. As the nation mourned the unbelievable damage of a historic city, the GCSAA Education Conference and Golf Industry Show was relocated to Atlanta due to the destruction of Hurricane Katrina. Rita and Wilma soon followed proving to be a hurricane season to go down in the record books.

In response to the devastating storms on the Gulf Coast, The Institute created the Hurricane Disaster Relief Program. Members, chapters and industry requested a way to assist in relief efforts for members in that region. Those donations are being distributed directly to GCSAA members that were effected to assist in compensating for personal loss.

Thank you to the following donors for supporting your peers during this time of need. We are proud to be part of such a generous industry.

This list represents donations received as of April 1, 2006.

Chapters

Alabama GCSA
California GCSA
Calusa GCSA
Cape Fear NC GCSA
Carolinas GCSA
Coastal Plains GCSA
Connecticut Association of GCS
Eastern North Carolina TGA
