2019 Rounds 4 Research Participation Pledge

As an affiliated chapter of the Golf Course Superintendents Association of America (GCSAA) or an associated turfgrass foundation, we pledge to participate in the Environmental Institute for Golf’s national online auction, Rounds 4 Research, for 2019.

We understand that through our participation we will need to secure rounds of golf or golf-related travel packages in order to raise funds for our organization. As a result, the grant received from the auction proceeds of our rounds will be used in alignment with the not for profit purpose of the Environmental Institute for Golf – research, education, environmental programs, advocacy and scholarships.

At the end of each year of participation in Rounds 4 Research, and upon request of the Environmental Institute for Golf, our organization will provide a detailed outline of how the grant monies were expended. If it is determined that these funds were not expended according to the exempt purpose noted above, our organization agrees to pay back the Environmental Institute for Golf and allow the funds to be expended in support of its exempt purpose.
